## ABOUT ME

Birthday: December 15, 1998

Age: 25 years old

Birthplace: San Vicente, Gapan City

## ABOUT ME

Aspiring software developer with a focus on Java Programming, venturing into the realms of Android app development and web development as a beginner. Proficient in creating Java programs and eager to expand skills through On-the-Job Training, demonstrating a strong commitment to learning and contributing to real-world projects.

## WORK EXPERIENCE

○ 05-2024 - Present  
Bel-Air, Makati

### Part-time Web Developer

Currently, I am employed part-time at Affirm Technology Inc. as a Web Developer until I graduate or until August 7, 2024. They absorbed us after the OJT and provided the opportunity for a part-time job until graduation.

○ 02/2024 - 05/2024  
Bel-Air, Makati

### OJT Web Developer

I completed my OJT as a Web Developer at Affirm Technology Inc., where I gained hands-on experience in web development, honed my technical skills, and worked on team projects and collaborations to enhance my understanding of modern web technologies and best practices.

○ 2021 - Present

### Freelance Developer

Collaborating with clients to gather requirements, analyze specifications, and propose technical solutions; designing, developing, testing, and maintaining Software/Web/Android applications to meet client needs and project goals; providing clients with regular updates, addressing concerns, and incorporating feedback.
